

1. 首先进入<Enterprise Modeler Editor>

2. 右击 Application,然后选择 Insert 和 Sub applications.

3.将你需要控制的 session 插入进去，并设置它的 authorization 为 display.

The image shows a dialog box titled "Subapplications" with a blue header bar containing a question mark icon and a close button. The main area is a table with three columns: "Id", "Description", and "Authorization". The first row is highlighted in grey and contains the text "ticst1501m00", "Material to Issue for Production Order", and "Display". There are 12 rows in total. To the right of the table is a vertical toolbar with buttons: "OK", "Cancel", "Help", "Insert", "Delete", "Edit" (highlighted with a dotted border), and "Edit Roles".

Id	Description	Authorization
ticst1501m00	Material to Issue for Production Order	Display

点击 OK 就可以了！

这样就 ok 啦！
